7. Employee Justification (attach additional pages if necessary)

Since the establishment of the COVID-19 Advance Loan Modification (COVID-19 ALM) option in ML 2021-15, published June 25, 2021, some Mortgagees have indicated that it is difficult for them to timely operationalize a portfolio level review of Borrowers prior to August 24, 2021 to determine which borrowers would qualify for a 25% reduction in their monthly payment of Principal and Interest from a rate and term modification at market rate. Mortgagees further indicated that due to their inability to perform this level of review, certain Borrowers would face delays in receiving loss mitigation documents until the Mortgagee performs this calculation. Further, on July 23, 2021, HUD published ML 2021-18, which established the COVID-19 Recovery Options and expanded eligibility for the COVID-19 ALM to all Borrowers who are 90 or more Days Delinquent and not on a COVID-19 Forbearance through the end of the COVID-19 National Emergency. This expansion mitigated the need for Mortgagees to review Borrowers for the COVID-19 ALM by the August 24, 2021 date. Therefore, Mortgagees no longer need to re-review Borrowers where the Mortgagee has not yet sent out the final documents to the Borrower to complete a Loss Mitigation Option as of June 25, 2021; Borrowers who have exited or requested to exit their COVID-19 Forbearance; Borrowers whose COVID-19 Forbearance has expired or will expire by August 24, 2021; or Borrowers who were not on a COVID-19 Forbearance by August 24, 2021. Mortgagees are reminded they must still implement the COVID-19 ALM for all eligible Borrowers no later than 60 days from the publication date of ML 2021-15.
