Became a law December 21, 2024, with the approval of the Governor.  
Passed by a majority vote, three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 601 of the general business law is amended by adding a new subdivision 12 to read as follows:

12. Use a social media platform as a means to collect on a consumer claim from a debtor. For purposes of this subdivision, "social media platform" means a public or semi-public internet-based service or application that has users in New York state that meets the following criteria:

(a) a substantial function of the service or application is to connect users in order to allow users to interact socially with each other within the service or application. A service or application that provides e-mail or direct messaging services shall not be considered to meet this criterion on the basis of that function alone; and

(b) the service or application allows individuals to: (i) construct a public or semi-public profile for purposes of signing up and using the service or application; (ii) create a list of other users with whom they share a connection within the system; and (iii) create or post content viewable or audible by other users, including, but not limited to, livestreams, on message boards, in chat rooms, or through a landing page or main feed that presents the user with content generated by other users.

§ 2. This act shall take effect immediately.
